# SNAKE BITE

get emergency help immediately! The clock is ticking

## **signs-**

red lines start spreading toward heart,  
swelling  
pain  
nausea  
sweating  
rapid heartbeat,  
dizziness  
weakness  
difficulty breathing  
sometimes fainting.

Stay calm. Half of the above symptoms are from panic, and a speeded up heart makes the poison spread faster. Relax. Keep bite lower than heart.

Do NOT put alcohol on bite  
Ice is useless

**PROTEASE ENZYMES\*\*\*\*** If you have any digestive enzymes- take the **WHOLE BOTTLE !!!!!!!** Protease neutralizes protein (poison). You can't overdose on enzymes. You can take hundreds of pills if you want.

**BENTONITE CLAY-** absorbs poisons. Mix with water and place paste on bite area, then drink a bunch of it

**CHARCOAL-** absorbs toxins from body- mix with water and drink. Can also make topical paste like bentonite clay

KEEP A JAR OF MY **CHARCONITE** HANDY- it's charcoal, bentonite and some herbs

## **CHARCONITE**

A super powerful combination of Charcoal and Bentonite to absorb ANYTHING toxic inside you, plus some herbs to help push it out through your digestive system. Perfect for gas, food poisoning, toxic environmental poisons, bad food, and even toxins created by illness and parasites. It goes through your system absorbing anything bad.

**ECHINACEA**- helps flush poisons from lymph glands

**VITAMIN C**

In a life threatening situation where the victim may go into shock, massive doses of vitamin C may save the victim's life. Use 1/4 tsp in water every 15 minutes. Give as much vitamin C as you want. 10,000mg... half the bottle- whatever you've got.

compresses (apply topically)

yellow dock  
black cohosh  
plantain  
Rue  
comfrey leaf  
slippery elm

After poison is out of body

Alpha lipoic acid 600mg  
Niacin 1000 mg daily  
Aloe vera (inside and out)  
Green drinks like chlorella  
Comfrey  
Calendula gel  
Vit E 400IU (inside and out)  
Vit A 25,000IU  
Vit D

Snakes hate garlic and onions. Eat a bunch of it until you wreek before going into snake-world.

**FULVIC ACID-**

Fulvic Acids, Shilajit and Plankton.

(obtained from an organic prehistoric goo oozing from Himalayan rocks)

As the most powerful, natural electrolyte known, fulvic acid restores electrical balance to damaged cells, neutralizes toxins and can eliminate food poisoning within minutes.

When it encounters free radicals with unpaired positive or negative electrons, and it supplies an equal and opposite charge to neutralize the free radical.
